Christmas Gifts

We owe our success to the volume of fur business we do to the fact that we never misrepresent—and to the excellence of our furs.

We guarantee such furs as we know will give satisfactory service. This includes furs in seal, mink, otter, beaver, muskrat, opossum and others—such furs as near seal, fox, lynx, coney and the naturally tender furs we do not guarantee as by their nature they cannot be expected to give long service. We will attach guarantee tickets to guaranteed furs if requested to do so.
